Profile

Social media manager with hands-on experience running content, strategy and community management for a growing creator brand across Instagram, YouTube, LinkedIn, X and Threads. Comfortable across the full content pipeline – planning, shooting, editing, publishing and reporting – and looking to bring that into a Content Trainee role.

Experience

Social Media Manager – Dr. Suneha (@itssunehanotsneha)

Month Year – Present

Freelance / Client Work

Remote

- Run end-to-end social media management for a practising dentist and content creator, across **Instagram, YouTube, LinkedIn, X and Threads**
- Grew the client's Instagram to **11.3K followers** and YouTube channel to **1.14K subscribers** through consistent content strategy and publishing
- Plan and execute **content calendars and posting cadence**, translating dental/health topics into short-form video and carousel content
- Shoot, edit and publish **Reels, Shorts and long-form YouTube videos**, tailoring format and pacing to each platform
- Manage **community engagement** – responding to comments and DMs in the client's voice on a daily basis
- Track **performance analytics** weekly/monthly (reach, engagement, follower growth) to refine content strategy
- Run **paid promotion** on Meta platforms to extend the reach of top-performing organic content
